

Summer 2018

We are currently in the middle of Consultation 2 - every household in the parish should have a questionnaire to complete.

This is a critical part of the Neighbourhood Plan process, and the results of this Consultation will be the basis for the Neighbourhood Plan policies that will shape the future of our Parish.

In addition, the results of this Consultation will be important when the proposed Watlington Road development goes to appeal in November. We will be able to put forward the views of the residents of our Parish.

So, it's really important that you complete your questionnaire and return it to your volunteer (name and address on the front sheet).

If you don't have one, or have lost it, please email LewknorParishNP@outlook.com
